ABOUT US

Prosto Petro Group is the largest Russian manufacturer of chocolate spreads, as well as one of the leaders in the production of dry packaged mixtures, confectionery glaze and other products of confectionery and grocery groups.

The company owns several registered trademarks: «BURYENKA», «BURYESHKA», «TIKLI», «BELISA», «Carna le Vale».

The central office of the group is located in St. Petersburg, branches - in Moscow and Novosibirsk. All branches of the company have equipped warehouses for their prompt shipment to the regions

The important vector of Prosto Petro Group is the supply of raw materials for food production. The quality of raw materials and stability of supply is ensured by cooperation with leading foreign suppliers, such as: MUSIM MAS (Indonesia) JEBE KOKO (Indonesia), FGV IFFCO (Malaysia), etc.

Our own technological laboratory allows us to flexibly respond to market conditions and produce high quality products according to original recipes. The merits of our products are confirmed not only by numerous diplomas and medals of exhibitions, but also by constant consumer activity.

Our products are presented in the largest federal retail chains («Pyaterochka», «Magnit», «Lenta», «Perekrestok», etc.), and is also actively promoted at the regional level.

Also we pay special attention to the export of our products. Many years of experience in deliveries to neighboring countries, as well as China and Mongolia, once again confirms the high quality of the products manufactured by the company. Today the countries of the Asia-Pacific region, the Middle East and the Maghreb are one of the priority and promising areas for expanding the geography of our export. High quality products, a variety of packaging options, its bright, memorable design and competitive prices contribute to the successful sales, both in Russia and abroad.
